Specifications

The Luna Grab Bar with Toilet Paper Holder combines the strength of #304 stainless steel with a modern, undulating, sweeping design. Available in left-handed or right-handed configurations, it can support 250lbs. when properly installed.

Convenient mounting flange post with set screws allow for easy flange access during installation yet preserving the clean finished look of the concealed flange cover. Using a wingit compatible flange base and 5 optional screw hole ports makes locating on a stud or hollow wall even easier than ever. 4 hollow wall togglers included with every bar.

The LifeLine Collection has been designed, built, and tested to 250lbs exceeding HUD, FHA, VA, ADA, ANSI and other federal, provincial, and local codes.

*Grab Bars can only be as strong as what they are mounted to. It is imperative when installing any safety product to consult with a qualified contractor to insure you have the sufficient backing to support the seat.
